I'm a Pilgrim and Will Walk With Jesus.

NUR MIT JESU WILL ICH PILGER WANDERN.

P. SCHÜCK.

2 Seas, lands, vales, and mountains firm abiding,
Joyful I traverse held by His hand;
But for this, my Saviour's loving guiding,
I could never reach the promised land.

3 When I sleep He keepeth guard around me,
When I wake He is my strength and stay,
He takes care that nothing shall confound me,
Leads me right when doubtful is the way.
